New Year's Message

Well as we embark on a new year's journey, I would like to take this opportunity to wish you all health and happiness for the coming year. As a club I see many challenges ahead of us, with membership and the clubs operational future, having said that I am also very confident that providing we work together then we will overcome these challenges and emerge a stronger and more vibrant club. I would ask each and every one of you to focus on the future and make a concentrated effort to support the club and each other in every possible way. Let's make 2018 a great year for both our club and ourselves. Thank you.
