Peter Gapp

After dinner, Chairperson Jim introduced our guest speaker for the evening, Peter Gapp from the Rotary Club of Holdfast Bay. Peter was in the RAN for over ten years. He spoke to members about the Rotary Youth Wellbeing (RYWELL) program.

RYWELL is an initiative of Rotary District 9520 that seeks to make a positive difference to the lives of those children and young people living in residential care facilities. These young people have a complex combination of needs and issues. Through donations from Rotary clubs the program is able to finance educational and recreational activities. Programs on the 'One and All' sailing ship, camps, navigation trails and cycle riding have been some of the events organised for the children.

The trips on the "One and All" sees the young people working hard to keep the ship running smoothly. Whilst on the ship the young people get to perform such tasks as raising the sails.

Rotary Clubs are able to help by providing donations of funds, ideas for educational programs and volunteers to socialise with the children at these activities.

Sergeant Lesley handed out fines.

The raffle was drawn by Peter and won by Delwyn and Peter.

P Alan thanked everyone for attending and closed the meeting.
