Rosanne Hawke

After dinner Chairperson David introduced our guest speaker for the evening, Rosanne Hawke. Rosanne started writing when her daughter listened to a story and asked her to write it down. She then told the story to her daughter's friends when they came from boarding school.

Rosanne worked in Pakistan for seven years as an English teacher in Pakistan. The school she worked in was one that catered for girls who otherwise would not have been able to attend school. The children would tell her stories, not all of them were good. During her time in Pakistan Rosanne got many story ideas that would later be turned into books. In 2006 she returned to Pakistan in 2006 on a writing scholarship.

The topics in Rosanne's books have included children growing up in another country, forced marriages and the floods in Pakistan. Her latest book that has been out for about four weeks that Rosanne has written is about a girl from Cornwall who migrated to far north South Australia in 1911.

Sergeant Lesley handed out fines.

The raffle was drawn by Rosanne and won by Lesley and Robin.

AP Elizabeth thanked everyone for attending and closed the meeting.

Our guest speaker for May 28 is Chris Herrmann talking about his "Senior Gap Year".

You would have heard of a gap year; in my case, My Senior Gap Year. This is a story that isn't just about travel but also Rotary making a difference. How an opportunity discovered in the middle of the desert kick started a Rotary project to benefit charities that are now worth close to half a billion dollars. That was just the start of the Journey.
