Our meeting on 30 July was a trip to Two Wells where we visited the Two Wells CFS established in 1957. We were shown the workings by Brigade Captain Adam Harris. The brigade has two trucks; each with a slightly different setups. Differences include a number of breathing apparatus and a front mounted fire hose that can be controlled via a joystick in the cabin.

There are around sixty volunteers in the brigade including ten women. The brigade is also have twenty two cadets aged from 11 to 16 that are a great source of recruits in the future.

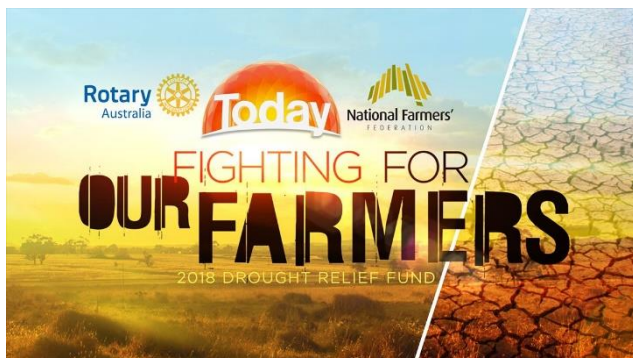

The brigade responded to 197 incidents in 2016-2017 which included cats in trees, birds in trees, domestic fires, country bush fires, road accidents and even sudden heart attacks of people in the area.

After the tour members enjoyed an excellent meal at the Two Wells Tavern.

In Australia, **farmers are the lifeblood of our country and they are in crisis.** Record breaking heat and lack of rain means farmers are struggling to feed sheep and cattle, and keep crops alive. Families on the land are suffering and they need our help. Channel 9 and **Rotary Australia** have partnered with the National Farmers' Federation, launching an appeal to big business and everyday Australians, so we can provide some emergency relief.

**100% of donations goes to the farmers and is tax deductible via Rotary and RAWCS. Every dollar counts.**
