In Australia, **farmers are the lifeblood of our country and they are in crisis.** Record breaking heat and lack of rain means farmers are struggling to feed sheep and cattle, and keep crops alive. Families on the land are suffering and they need our help. Channel 9 and **Rotary Australia** have partnered with the National Farmers' Federation, launching an appeal to big business and everyday Australians, so we can provide some emergency relief.

100% of donations goes to the farmers and is tax deductible via Rotary and RAWCS. Every dollar counts.
