- ✚ IPP Alan reminded members about the barbecue at Bunnings on Tuesday 11 September at Bunnings Munno Para West.

Delwyn and IPP Alan went to the information session at Bunnings on Wednesday 5 September. A few things that were discussed were no selling of raffle tickets at the barbecue although we may be able to sell them in the atrium, we need heat proof gloves for cleaning the drip tray which IPP Alan has now bought and to use common sense (which we do).

If anyone is needing Trailer Raffle books to sell please see Delwyn.

After dinner Chairperson IPP Alan introduced our guest speaker for the evening, Rob Eley from the Rotary Club of Gawler Light who is the Youth Services Chairperson for District 9500. Rob came to give the club information about Interact.

*Interact started in 1936 in Melbourne, Florida as a school based program of service clubs for 12 to 18 year olds. The program has since been expanded to be both school and community based programs. There are now over twenty thousand clubs on one hundred and fifty clubs worldwide.*

*The Interact clubs are chartered by Rotary International and have a sponsor Rotary club. The sponsor clubs provide a mentor to help run their meetings and provide support. In school based clubs at least one teacher is involved in running the club. The clubs pick at least one local and international project and fundraise as much as they wish for their projects.*

*Interactors do not pay fees unless the clubs themselves decide to levy them.*

*More information on Interact can be found on [rotary.org](http://rotary.org).*

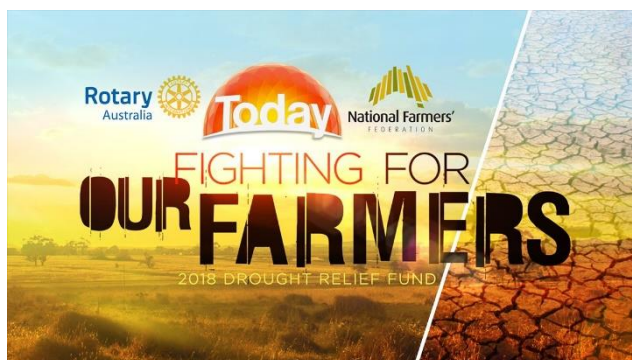

The raffle was drawn by Rob and won by Shirley.

P Elizabeth thanked Rob Eley and our other guests for coming and reminded members that our speaker for next week is Mr Tony Vaughan ASM the Deputy CEO of the Royal Flying Doctor Service.

The Rotary Club of Playford will be joining us for our meeting next week on 17 September.

P Elizabeth closed the meeting and gave a quotation from Helen Keller, “Alone we can do so little, together we can do so much.”

In Australia, **farmers are the lifeblood of our country and they are in crisis**. Record breaking heat and lack of rain means farmers are struggling to feed sheep and cattle, and keep crops alive. Families on the land are suffering and they need our help. Channel 9 and **Rotary Australia** have partnered with the National Farmers’ Federation, launching an appeal to big business and everyday Australians, so we can provide some emergency relief.

**100% of donations goes to the farmers and is tax deductible via Rotary and RAWCS. Every dollar counts.**
