Our next combined meeting with the Rotary Club of Playford will be on Tuesday 20 November with further details to come.

The Rotaract Club for Global Peace is celebrating its 10<sup>th</sup> birthday on Monday 29 October at 1:00pm for 1:15pm until 3:00pm at Thebarton Senior College, Ashley St, Torrensville.

We are quite happy to have people work on their own or bring a friend. If we are unable to get some for a shift then we will not operate that shift.

Brooke Coleman-Oakes

After dinner Chairperson Delwyn introduced our guest speaker for the night, 2018 SA Health Aboriginal Health Scholarship recipient, Brooke Coleman-Oakes who is studying a Bachelor of Occupational Therapy at UniSA. She has been working as a casual receptionist at Goodlife Health Clubs in the CBD for the last three months. Brooke is from Adelaide although her family originally hails from Ceduna in the far west coast of South Australia. Her Nana grew up on the Kooniba Mission there and moved to Adelaide where she raised her mother and uncle.

*Throughout her schooling Brooke has had a high level of commitment and dedication which is reflected in the various leadership roles she has held in her senior years such as House Captain, School Mentor to new students, and as Netball and Interschool Captain. At the end of Year 12 she was the sole recipient of the 'Principal's Service Award 2015' along with the 'Australian Defence Force 2015 Long Tan Youth Leadership and Teamwork Award'.*

*During her first year in University Brooke was privileged to win the position of netball coach for a prestigious high school. She was able to use this position to promote health, well-being and self-esteem to all girls in the team. This became satisfying evident when they won their first two grand finals.*

*Brooke first got into a Bachelor of Exercise Science degree but found that she was not into it and had the opportunity of attending the Indigenous Allied Health Australia conferences for the past two years with UniSA. She was able to network with other professionals whilst gaining an understanding of various Allied Health Disciplines. Through attending the conferences she developed an understanding of Occupational Therapy and decided she wanted to follow that pathway.*

*After completing her degree and a Diploma in Nutrition Brooke plans on working with children specifically indigenous educating them on the importance of healthy lifestyle choices although she wants to experience a wide range of fields in Occupational Therapy through placement opportunities. Longer term Brooke wants to own her own practice.*

The raffle was drawn by Brooke and won by Theo.

P Elizabeth thanked Brooke Coleman-Oakes, Colleen Prideaux, Lana Coleman, Nicole Adamson and Alastair Adamson for coming.

P Elizabeth closed the meeting.
